Halloween is coming up and already the Vampires and Sunrays have come out of hiding! Where have they been waiting all this time? This year Halloween is sure to be a blast in our fair city so make sure you are there for all the festivities!

And for those of you who are wondering what this update has been all about, I can only say that time will soon tell! Hang in there, you know it's going to be well worth it! As always, watch the forum for announcements!

Letters to the Editors

Dear Editors:

RE: VCSPIDER.GIF

Thanks for the mention ... <F3> I've rechecked the file. Apparently transition from 32-bit PICT to 8-bit GIF did the photo in. I apologize for not re-checking it before submission. (I'm so embarrassed!);) I've uploaded a JPG version to the Worlds Away Life Library.

Feu Des Astres FDA Photo Services

Dear Feu:

Ah, thank you for checking this out! No problem! Happens to the best of us!

For anyone reading this, this letter refers to the photograph that was to have accompanied the letter in last week's Clarion regarding the spider killing.

Dear Editors:

I have a respnse to the Editors Topic last week about the VC Room always being full.

I know it's hard for you guys to help Newbies with all those people in the VC and yes I'll admit I always log off in the VC and log on in the VC because it is where you find out what's happening (except from the Clarion of course). But what are we supposed to do? I mean I can recall being asked once or twice to ghost for newbies so I did and then some other avatar came down!? But the Acolytes are the people that most avatars like to talk to, ya know? And it not like we can just say this is the locale you go to talk!

Also a completely different topic.....

When I got back ... I found out that they had opened the StarWay Cafe but the trick is: I would have found out on my own if there had been a update download thingy like when they did that for the temple but no. So I'm thinking that some locales are already made but we just can't go in them yet and hearing that the Oracles have been to the end of the Jungle (Then why don't the Oracles get the Jungle open to the average bear aaa I mean avatar!?). What a twisted (inner) world! :-)

Santalus "Until next time we meet again", "Oh yes we will meet again" 76765,643

Dear Santalus:

To address your first paragraph: the Acolytes know that you all love to go talk to them in the Visitor's Center and that's OKAY! They enjoy your company, too! The Acolytes just need for everyone to understand that their priority is to be of help to anyone needing it. Having the Help Desk be full with the same five avatars for a long period of time with many ghosts crowding that cloud can sometimes cause newbies needing help not to get that help. Everyone has been very cooperative with ghosting when more than one or two ghosts are in the room and the Acolytes appreciate that. We might add, however, that there are many other areas that could be used for socializing: the Bar-L Bar, the Starway Cafe, as well as the fountains. The Acolytes can answer any question you may have via ESP. It may not be as personal as talking face to face, but it's an alternative!

As for your second paragraph: <shrug> We don't know the answer to this. Perhaps checking with an Oracle next time you see one will bring you the answer you seek. Morpheus and the Oracles work in strange ways.

IN SEARCH OF GHOSTS

By Marianne G

%%-----%%

All I know is this past Saturday, I was there talking to someone outside of the Starway, and Tulip came by and bit me! I know she hadn't been well lately, but really! The next thing I knew, it was Sunday morning, and I found myself outside the Bar-L Bar with a massive headache and a bottle of Red Eye. I don't drink

Red Eye! Though I do admit that I still have a craving for stuff that's red and salty.

This reporter is sorry I can't report more, but it's all very hazy and I feel the need to curl up in my chest and get some sleep. I mean it's broad daylight out there! Hmmm, didn't my skin use to be paler? Maybe I'll report on those strange lights seen in the house on the hill later. Or report what happened right before Halloween when I was at the altar praying for a ponytail and a can of Choke. But right now, I need to get some sleep!

Poem By Dedanann %%----%%

Within all thats real a truth is but one.

For you to dream of a distant

sun,

It's time and space both young and

old,

A destiny not set it now

unfolds,

To never feel the pain of

life,

Without it's walls the soul takes

flight,

Is this truely heaven?

Been confined ta dis here hospital bed da whole week long. Dat Morpheus guy mighta struck me down an' put me outa business fer a week or so, but Ah ain't givin' up! But man oh man, does he got some powers dere an' Ah'm gonna be purrty careful when Ah gets back to da land o' da livin'!

Ah gots a plan, ya see. No more laser gun. Morpheus done a number on that one Ah had. Man! Ah never seens anything be blown ta smithereens like dat wuz! He sorta missed dat lockpickin' kit ah had stashed in ma pocket, though. <winkin'>

Can ya keep a secret? Now don' go warnin' anyone, ya hear? Ah especially don' want dat Morpheus fella to hear 'bout ma new plan. Dat Jungle gate sure looks like an easy one ta pick and dat's gonna be ma next job. Soons Ah gets outa dis hospital, Ah's gonna go on a stakin' out job ta discover da surveillance on dat place an' den Ah's gonna use ma handy dandy gate pickin' tool ta gits in dere. Mebbe while Ah

is laid up here, ya can kinda check it out fer me and gimme da rundown on when dat place ain't bein' guarded. Ah ain't got no mailbox anywheres 'cause ah spent all ma tokens on dose tools. <sighin' when tinkin' 'bout dat neato laser gun Ah'd spent ma last tokens on> But ya kin send me mail in care o' dis here publication. Dey knows where ah is and will see dat any mail gets ta me. Sure would 'preciate any help ya kin give me! Dat would put me a couple o' days ahead o' schedule and mebbe next week, Ah kin give yas an inside scoop on what's behind dat Jungle Gate.

Pumpkins, pumpkins everywhere, but not a pie in sight! Well, except for Piemur, whose name is sometimes shortened to Pie by his friends. But Piemur's a frog, not a pumpkin, at least not yet! Or, rather, I should say jack-o-lantern rather than pumpkin. Have you seen those toothy grins? It's enough to frighten the ghosts right out of the clouds! :: shudder :: The colors of the week, of course

are orange and black, although Jack O Lantern himself has been seen wearing a brown shirt against bright orange pants. He told me that he didn't want to get

lost among the witches' hats and the black cats. Now, we've seen cats dressed in

black. But no witches so far. No brooms in the vendroids, either. Or skeletons rattling around outside any closets. But I'd best stop! I'm scaring myself, and Hallowe'en hasn't even arrived yet!!

Have you seen those two roommates, Jax and Hollywood, up to their eyeballs in antics around and about the Visitors' Center? Did I say eyeballs? Hollywood, resplendent in a lollipop yellow Happy Face, was showing everyone how his eyes "spin" when he changes expressions, especially in profile! It was so funny to watch! These two can really ham it up together, completing each others' sentences, waving in perfect synch, teasing one another ... they remind me of Dean Martin and Jerry Lewis! (Darn it! Did I just show my age?)

It does my heart good to note all the kindness and charity I see on my walks about the city. Some are even inspired to form groups for the purpose: the Necrolytes come first to mind, and now we have Magicas as well. And El Aguila, new to Kymer himself, has proposed a Latin group to spread the spirit of Phantasus among the Spanish speaking population. Of course, you certainly don't need to belong to a group to be charitable or to be kind; indeed, one doesn't have to look far for individual acts of kindness, which absolutely abound in our

fair city. But either way -- through the auspices of a particular group or out of the goodness of the heart of an individual -- I know that many an avatar has been the recipient of the kindness of Kymerians; and I have seen the favors returned again and again. Makes the heart fairly glow, it does!

See everyone next week! Don't forget Jackal2's and BB's wedding on Nov. 4th in the Temple! See you there! And I'll see you on the street! ;)

%%-----%%

For quite some tome now, we have had Charlotte-N and Yul Brenner around to first paint our clothes then our hair, eyes and other things once in awhile. They painted many avatars before the Vendroids in the V-mart made available to you and I the body paints. From there they continued painting hair,

eyes and from what I've heard, chests and other things.

Our porblem is that they have hardly been Seen in the Street anymore. Every day I have at least three to five citizens ask me where and when they might find Yul or Charlotte! It's difficult to say the words " I Don't know" but that's the unfortunate truth. I also say to hang in there and keep trying but some have been looking for 30 days!

So now I wish to put out an APB on Charlotte and Yul because we haven't seen them for so long. I personally haven't seen Charlotte in almost 60 days and Yul in over 30... Charlotte and Yul, has anything happened to you? Many need your services inworld if you are reading this!

Please at least let us know you're both still with us!

GHOST RACING REPORT By Acolyte Serena %%-----%%

The races ran 10/23 ended with Shaker and Huckleberry still tied in the monthly standings, now with 8 wins each. Huckleberry almost had an edge there as Shaker did not win his second race till the end. I'm sure he just wanted Huck to get overconfident, right?

Winning one race was VVOLF for 75T. On the dreamscape, those two V's in his name make it look like WOLF. Piemur also won 100Ts. With two races each were Shaker for a dumbell and 75T, Huckleberry with a Canary and 50T, Dream Child for a Fern and 50T (Going to miss you on the Dreamscape), and Soltron winning a chest with paints and a pumpkin head! We know who's ready for the Bloodline Halloween Bash now!

Going away with tokens, if not any wins, in the token free for all, at 25T each were Hera, BigJohn, ABE, Elminster, LAMBCHOP, Macgyver, Dot, The White Rose, Felix and Tsu-Sana-O. I'd like to thank you all for coming.

So remember race fans, with only one more races this month to decide the championship, things are heating up. Will Shaker go for three in a row? Or will Huckleberry break his chance at a hat trick?

My Friends,

Some of you may know the story of Carmila, some of you may know only portions, some of you may not know about her at all. I'll relate her tale to you as best I can, even though I fell mere words will do no

justice to express how deeply I feel about her. All of these events happened last night, Saturday the 28th of October. A night I shall remember forever.

Yesterday evening at around 7pm Milen and I were just casually walking, on our way to nowhere in particular, when we walked in front of the entrance to the Blasted Heath. Something caught my eye, I can only describe it as a slight shimmering effect. I asked Milen and she said she saw it too. The two of us, having far too much curiously for our own good, decided to investigate. Looking closer we saw the shimmering formed a gate in the fence. We had never seen this gate before but it's very easy to miss small details and we thought this may have been the case. No one was to be seen so we decided to investigate. After all, who could resist temptation like that?

What is Chaos Inc? Chaos Incorporated is a total unknown every week. We may be trying out a new game to see how it plays. Maybe we'll be giving an old one a twist! Maybe it will be a paint party that week, or a singing contest. No one knows! We may not even know till we get there to host it! We do ask that you come early to hear the instructions for that event at that time.

STARTING IN NOVEMBER!!!! CHAOS, Inc will be moving to it's new time. Wednesday evenings at 5PM WAT in the Bar-L Bar Storeroom. Yes, Wednesdays will not be the dead day on the calendar any more! The first game at it's new location will be held Nov 1st to start the month off right. In November we hope to retry some of the newly introduced games to fine tune the way they are played. We also have a possible new one for you to try out. Who will be your hostess? Marianne G or Acolyte Serena will host, you have to go to the game to find out which one!

Last week we tried NAME THAT SONG and had 14 people getting prizes. To make up for what some considered my odd taste in music, and what one called downright ancient, (geesh I'm not that old!) we added some Nursery Rhymes and Fairy Tales to the mix. Handyman and Necrolyte Benny came away with the most token/points with 48/24, but they were closely followed by Miss Lisa C and Meri both with 46/23 and Tsu-Sana-O and Hera had 42/21 rounding out the top winners. You can see how close it was!

As a reminder, if you would like to introduce a game, and don't mind us helping you fine tune it for playing on the dreamscape, send those game ideas to 72007,221 and we'll be glad to consider it as a future CHAOS, Inc game.

Nyssa, we still owe you 25T for your part in the games. Remind me next time you see me in your dream.

Coming up this month let refine Boggle and Seesawl Scramble and get them ready for prime time!

Want to Get Married?
By Khai Joybringer
%%-----%%

After numerous requests for Temple weddings, the Oracles and Acolytes have formed a Phantasus organization to be known as "Marriage Registration Agency". The officers of this organization are:

Oracle Uni
Acolyte Data
Acolyte Indigo
Acolyte Ravenwhyte
Khai Joybringer - as the Kymer Clarion's Wedding Correspondent

Effective November 1, 1995, couples who are wedded through the auspices of the Marriage Registration Agency will have a Marriage Certificate prepared for them which will be uploaded to the Waking World's Forum Library; later, when document publication comes to Phantasus, the marriage certificate will be prepared in that manner. There will be a registration fee of 150 Tokens for the services of an Oracle, Acolyte or Ordained Avatar to perform the wedding ceremony; this fee will include the preparation of the Marriage Certificate.

All marriages will be sanctioned by Morpheus, of course; but if a marriage has taken place prior to now and the couple would like to have a Marriage Certificate so as to be fully registered with the Agency, please see either an Acolyte or an Ordained Avatar inworld. To have your Marriage Certificate prepared, there will be a fee of 150 tokens paid to the Acolyte or Ordained Avatar.

There are several ways Avatars desiring to be wedded may do so:

- 1. Group Oracle rituals, held every other month (odd numbered months on the third Saturday at 6:00 p.m. WAT). These ceremonies will be generic in nature and must be booked in advance, contact an Acolyte to arrange a group Oracle ritual. The 150 Token fee is payable to the Acolyte who makes these arrangements.
- 2. If you prefer a more specialized and detailed ceremony or don't want to wait, you may see an Acolyte or an Ordained Avatar. The 150 Token fee will be payable to the person who performs your ceremony.
- 3. You may wish to simply exchange vows among yourselves with no ceremony involved. In order to be registered with the Agency and receive the Marriage Certificate, please arrange to have an Acolyte or Ordained Avatar as a witness to your marriage. The 150 Token fee will be payable to the witness.

All Oracles and Acolytes are ordained to perform wedding ceremonies through the auspices of the Marriage Registration Agency. I am also pleased to announce that I, Khai Joybringer, have recently been ordained and will be available to perform your wedding ceremony. The Agency will, in the future, be accepting applications from Avatars who

wish to become ordained. Look for more details later!

If you wish me to perform your wedding ceremony and are unable to find me in Phantasus, please feel free to contact me through Acolyte Brynne or either leave me a private forum message or send it to mailbox 71273,373. Have a wedding announcement you'd like to have placed in the Clarion? Send it to me at my mailbox by noon WAT Saturdays and I'll see that it gets into the next issue!

More complete details are in the forum's WorldsAway Life Library with the file name "How to Marry in Kymer".

Be joyful!

BLOODLINE GO FOR BROKE MONTH

By: Marianne G

%%-----%%

Going from October 1st to the 30th, the Bloodline will host a novel way for you to come up with some pretty unusual items. We caught the oracles cleaning out their closet, and some of the stuff was really neat! They didn't need it, so we asked for, and received it. We want everyone to get a chance for it, so we're letting you all earn points, which you can turn in for a chance to go for it.

Each 100 points you earned in October can be turned in for a chance to choose one of three trunks. One of them will contain a special prize. The others, well, some of the stuff the Oracles kept in their closet should have been thrown out long ago. Perhaps you will even pick an empty trunk, (Bummer). But you still have a one in three chance at a jackpot, so Go for Broke!

What about the end of the month? You can either buy points at the (1T = 1 point) exchange rate to get to the total you need to take a chance, or you can redeem your points under 100 for tokens at that same exchange rate. See Marianne G AFTER the ghost racing on Monday for the final trade in and GO FOR BROKE chances!

Turning in Points were Feu Des Astres, first for Dedanann and then for himself. If he didn't have bad luck, he would have had none at all. He picked empty twice for Dedanann, and the first two times for himself! Four empties all in a row! He finally did walk away with a dumbell and flowers so we're glad he got something. Another up was Necrolyte Benny, who only walked off with a pet spider the Oracles had been keeping around. Or maybe it just had been some time between closet cleanings.

Earlier in the week, after CHAOS, Tsu-Sana-O had given it a try, and came away with an Orchid. The White Rose also came out of the picking with a lantern. I'm sure they would both like to thank Superman who donated points to them so they were up to the picking point. Way to go Superman, I'm sure Morpheus is also pleased. Hera, unfortunatly, did not win anything, but then Superman himself tried, and Morpheus must have been smiling on him as he cam away with a Pumpkin Head and A Lockable Chest! Way to go Superman!

Receiving points for the BLOODLINE GO FOR BROKE MONTH during the CHAOS, Inc game, or so far that week as of 10/28 are:

Archangel - 50 Artemis - 3 Benny - 9 Bunyan - 16 Dedanann - 0 (Feu Des Astres acting as agent) Efo - 86 Feu Des Astres - 39 FLASH - 7 FreaknPaul - 19 Geldrung - 24 Grace - 25 Handyman - 154 Hera - 121 Himqurth - 31 John W.
