A Tale

By Forever Explorer

The avatar walked into the Bar-L Bar. He had a sad look plastered onto his face.

"Hello Ross!" the bartender said, hoping to cheer up the depressed avatar.

The avatar did nothing; he just stood there looking into space. Then he displayed a frown. "I've just figured it out. I'm doomed."

"Excuse me?" asked the bartender, "Did you just say something about being doomed?"

"Yes, yes," Ross said impatiently, "I am so doomed."

"Well, would you care to share you doomedlyness with any of us?" asked an alien avatar.

"Ok, if you all want to hear it, here goes: I was by the fountain, right? And so along comes this avatar with a HUGE frown on his face. So naturally, being the friendly avatar I am, I asked him 'Why the long face?' Big mistake. He swore, shot profanity at me... wait, that's the same thing... Ok, so basically he was very pee-d off. I

was a bit taken aback by all this so I said that if he had a problem, he could Page An Acolyte or maybe I could. At this, he threatened me with more profanity and stuff like 'When we get turfs, I'll rip yours down!' So I laid back and ghosted, curious at what would happen next. He looked up and yelled to me more profanity at me about watching him. So I rematerialized and asked him what his problem was. Same result, more profanity. So I had no choice but to Page An Acolyte... Ok, I could'a went somewhere else but I was truly concerned about dis fellah. So along came the Acolyte, as soon as he appear Rohn... Did I tell you his name was Rohn? No? Ok, his name was Rohn..."

"Gee, that helps a lot don't it?" quipped a television set.

"Shh... Let him continue his story!" the bartender said impatiently.

"Ok, so where was I... Oh yeah, so Rohn disappeared and wasn't a ghost so I thanked the Acolyte for coming and was on my way. Then Rohn re-appeared in my face and threatened me again. I didn't exchange any words with him and promptly left the world ..."

"So..." urged a Kevin headed avatar.

"So, a couple days later, I came back and who was waiting for me but Rohn! He said that he knew all about me, where I frequent, how many tokens I have, etc., etc. I got really scared and teleported away but waiting for me was..."

"Rohn?" guessed the bartender.

"No... It was the Acolyte I had paged the other day. He said that they had kicked Rohn out of the world yesterday. I informed him that I just met him again a few minutes ago and that it was the same Rohn. The Acolyte gave me a quizzical look and said that he hadn't been around since he was kicked out. Then he ran off telling me he had to answer another Page. All this time I had noticed a ghost cloud above us. And lo and behold... Out of that cloud came Rohn! He laughed and said that he had finally outwitted Morpheus, the Oracles, and the Acolytes. I ignored him and disconnected..."

"And so when you went back the other day, Rohn was waiting for you again, right?" asked a cowboy.

"No, that was yesterday. Today, fortunately for me, Rohn wasn't there. But you know, every time I see a ghost cloud, I think Rohn is overhearing me and will pounce at any second. So, I hired Dark Ranger to protect me from Rohn. His rates were very low, I won't tell you how low, but very, very low. I think this is because of the fact that he was having major technical problems. Something about Kyle not getting the RAM yet... So he crashed right after I hired him. Oh well. So anyway, about me being doomed, I think he's making today judgment day."

"I'LL KILL YOU ALL!" screamed a voice that Ross immediately identified as Rohn's.

Everyone in the bar turned to see the source of the voice. There was none.

ODE TO A PONYTAIL By Marianne G

New heads, new paints, everywhere, But not a ponytail in sight; Oh what's a poor skeleton to do, To prevent giving others a fright?

I tried on all the new heads, But they just won't do; Nothing short of a Ponytail, Will keep ME from being blue.

So around the city I wander, Looking here and looking there; Searching for that elusive ponytail, to keep my skull from being bare.

What Ever Happened, Tu??

(Personal recollections of the early days in the Community Forum, Beta, and the World)

As I wander the Dreamscape on my weekend rounds, I often spend my time asking myself "What ever happend, Tu?" hmmmm..

What ever happened to Avatar 71?

Is he or she wandering the world as an Avatar with a new name? Did she or he ever get new colors?

Is he or she still hazing newbies?

Did I make an impact with our conversations?

Last time we saw each other was around Christmas when we exchanged Christmas greetings.

What ever happened to Angus McSnarf?

Is Angus still roaming the world during European hours?

Does he still carry a certain object exchanged during Beta?

Does he still grin all of the time like a crazy man?

Does he still think of the old <F9> key and the laughter we all had when discovering that one?

The last time I saw him... hmmmmm. was a long, long time ago!!

What ever happened to PropHatus and it's founders?

Where did the PHer's go?

Are they hiding somewhere in the temple, drinking mushroom brandy, and partying on down?

Are they still trying to find a way to turn that old Robot head into a PropHat?

Are they still deeply pondering life in the forum and so deeply that they forgot to come in world?

Are they still waiting in the forum for someone to make a PropHat??? Hmmm.. must be that mushroom brandy!! Where did I put my bottle??

What ever happened to Claes, Johnny Harris, Maria, Jens and Andyn?

Ooops.. forgot.. four out of five were PH'ers. Heh heh.. must be that mushroom brandy again!

Gee.. I sure do miss those long, long conversations about PH. Interesting how the current world seems formed around the temple and a mythical god.

(Found the bottle. Gosh is that good stuff!! Hmmm.. wonder if it will EVER be in world.)

What ever happened to the block head, the clay head, the piggy head and all of the other wonderful heads I tried during beta but sold back to the Pawn M achines?

Will I ever see any of them again?
Were those really me and I missed my calling?
I know I missed out on keeping some rare heads!

What ever happened to the odd looking Pawn Machines we had during Beta?

hmmm... Did they go to the Ye Olde Pawn Machine Shop? Will we ever see any like them in the future? What happened to the stuff we sold into them? BTW, where do those items go, even now?

What ever happened to Scruffy, my pet spider, and the hundreds of pet spiders we put down around the world as we gleefully played with them?

Is Scruffy happy somewhere in the crevices of the VC Center?
Did Scruffy ever look for me?
Did he find a new owner? Is he happy?
Was Scruffy upset with me that I accidentally dropped him in a corner and he scurried off?
Did all of the spiders that were lost in world have a get together at Halloween and make those webs?

What ever happened to all of the Vampires that were created on the Night of the Vampires?

Did they cart off the coffins around the world and jump in for a long rest?

Did they go back underground with Carmilla?

Are they hiding until next All Hollows Eve?

Why did they not band together like the SunRays and create a romantical, mystical force within the world?

What ever happened to the Phantasus Weekly?

Did it go out of circulation? If so, why?

What ever happened to that table that was in someone's pocket during Beta?

Heh heh.. ok.. I suppose it got nailed back down somewhere. But where?

As I wander around the world, late night, on the weekends.. I can't help but think..

"What ever happened, Tu?"

If anyone has any answers to my questions, please post a message to me in the forum or see me in world. Curiousity killed the cat, but satisfaction brought it back. Thanks.. Tulip

EDITOR'S NOTES:

- "avatar71", semi-affectionally known to some as "Av", still shows up occaisionally I believe, but I, too, have not seen her since Christmas.
- Angus McSnarf is still around, though I personally haven't seen all that much of him as of late.
- The Piggy Head is still available. Currently it can be purchased in Bar-L Bar.

It is possible that I know the answers to one or two of these other questions... oops! Look at the time! Gotta get back to editing! <grin>

-Milen of the Hidden Glade

NOTE FROM THE EDITOR

@thena has not been with here in Phantasus for very long, but in the time that she's been around she's become exceptionally involved with us here in this wonderful place, becoming a frequent event participant, a DIS regular and a Magica. This week was to mark the beginning of a regular Clarion advice column, "@sk @thena". However, because of excessive CompuServe charges, she has been forced to give up WorldsAway, at least for the time being, and perhaps even CompuServe altogether. As I have said, she has not been with us long, but still... she will be sorely missed. Here is the column which would have started this regular feature in its entirity. I hope you will be as impressed as I was.

-Milen of the Hidden Glade

^^^^^^^^^^^^^^^^^^

Here it is everyone, the moment you've been waiting for: @thena's advice column is now officially up and running! If you have any personal WA problems that you need to work out, remember that I'm here and that I care! You can ESP me in-world or send me an E-mail for more privacy. I will not use your real name or your real avatar name in my column, so you know that your privacy is guaranteed.

I don't have any degrees in psychology or anything like that, but I've been told that I'm a good listener, which I can only attribute to the fact that I like to listen! I enjoy helping people very much, whether the deed is large or small. As one avatar who wrote into my column put it, "I think being thoughtful, compassionate, and a good listener is at least as important as a formal degree... what kind of a

counselor would a person make if they had the degree but not the other things? It is very helpful just to have someone listen to your problems and reflect on them... whether they tell you something new or simply confirm what you already knew, it can... make you feel so much less alone." So, my fellow avatar friends, I bring you my awaiting ears and my steady shoulders for you to unload your concerns on. ESP me inworld, Magica Crusader @thena! or E-mail me at 102051,145. =)

Dear @untie @thena,

I don't consider myself a lesbian - I enjoy male company both sexually and otherwise - but I often find myself attracted to another woman. Now I have found recently that this taste is extending to my avatar's feelings as well.

I don't want to make other women uncomfortable by flirting with their avatars, but some of the women in WA are really interesting, nice, and nearly irresistable! Am I being silly? I mean, I'm applying *my* feelings to my avatar, and becoming attracted to other women's avatars because of the personality of the other woman.

What should I do?

Signed,

1LostLady

Dearest 1LostLady,

First of all, I want you to give yourself a big hug! Of course you are extending your own feelings to your avatar! There is definitely nothing wrog with that. Hopefully, everyone does this. Otherwise all of us avatars could be easily compared to bumps on a log (or in this case, a computer screen <G>). It's what makes us each unique. Remember that having real feelings for someone's avatar in Kymer should by no means be considered the same as confusing the Waking World with Worlds Away. Being attracted to a person's personality is wonderful! This is how all relationships should work, IMO. Pride yourself on focusing on the part of the person that really matters! You have a gift of seeing that beauty comes from the inside.

Yet, I share your concern for not wanting other women avatars to be made uncomfortable by your flirting with them. Obviously, you are a caring person simply in the fact that you are considerate of your fellow avatar and his/her feelings.

There must be other female avatars in Kymer who feel the same as you; for it is a large world and there are bound to be others in your predicament. The best way to approach this situation is very, very gently. Of course there could be many female Kymerians who would be offended to know that you have romantic feelings for them. Then again, there could be more who would not. You might find this out a bit too late, in some cases.

LostLady, keep in mind that citizens of Kymer are, for the most part, friendly and warm. You cannot help the fact that you are attracted to the men and women alike, especially when we have so many friendly people!!! So, ask yourself. Are the women who find your flirting uncomfortable likely to make a spectacle of it, since you were attracted to her great personality in the first place? Sure, some embarassment may be encountered on both of your parts, but I think it is worse to keep yourself in the closet. You might just try to be stragihtforward, like with an ESP of sorts: "Are you offended by the idea of a woman being

attracted to other women?" Or you may want to be more discreet, as with something like telling a story of another female avatar who had feelings for you. Read her response. And then proceed with caution. Nothing can prevent the inevitable heartbreak, but how will you ever know if you don't take some risks here and there?

I hope this helps some. <kind smile> Cheers to you, LostLady!

From an inworld ESP:

@untie @thena,

What happens if two avatars from completely different worlds, or religious backgrounds, are in love and they want to get married? Wouldn't there be some trouble here?

Signed,

A Wondering Avatar

Dearest Wondering,

No, I don't think there would be any problem with this at all! First of all, how likely is it that you and your beloved will come upon the issue of religion while in Kymer? Sure, your beliefs will show and be sensed through the actions of your avatar, but will your spirituality ever really be a big focus of your Dream lives? Also, are you going to keep this an in-world relationship, or are you hoping to make this into a real world romance as well? A mixed-religion relationship in Phantasus shouldn't be a problem, but if you are planning on taking things further into the WW, then I would be cautious of this situation.

Remember that the beauty of Worlds Away is that we can leave all boundaries and ties that separate us in the real world behind, and truly appreciate and accept each other for the person that they are. Good luck to you, Wondering, and I hope I will be invited to your wedding. <smile>

Great Valentine Giveaway - February 6, 1996 By Acolyte Sunray Data

Before I go any further, I want to thank my staff at the game: Bijou, Brynne, Electra, Necrolyte Sunray White Rose and Sunray Ann. I also thank the avatars who deghosted and held places for those of us who crashed. Without ALL of you, this event wouldn't have happened!

Thanks to all of the citizens of Kymer who attended the Valentines Giveaway on Tuesday. We gave out 80 Valentines and 8 Valentines chests. The event was attended by our staff (whom I am eternally grateful to) plus 72 GHOSTS. Total attendance was 78. I appreciate everyone who respected the two item per avatar limit on the Valentine items.

For those who missed it, we placed 88 Valentines items on the floor in the Visitor's Center Left. The staff ghosted and the avatars came down and got their two item limit and ghosted for the next avatar. I appreciate everyone's patience as we had crashes and other problems to contend with. The event started nearly 45 minutes late.

I know many didn't get a Valentine, but, the Acolytes will be giving them out all this month, so I have no doubts you will all get one, if not MORE!

Bingo spot - Sunday February 4 By Necrolyte Sky Tower

The locale was alive with Avatars and ghosts, never before have I had so many at any of my games.

The odds were 20:1 for most games played and my hands and pockets were ringing with the sound of tokens untill a cry of KYMER appeared; I looked, I checked and counted the tokens in my pocket. Oh dear; the bet was 200T, the payout was 4000T. There was not enough in my pockets to honour the bet. "What will I do?" thinking and swearing at myself aloud. The winning avatar was overjoyed at the thought of recieving 4000T until I said those words "Sorry but I dont have enough" and the reply "Don't worry". Thinking my other avatar had enough tokens to cover the bet, I checked with a sinking heart: only 158Ts. Not wanting to dis-honour the bet, I went on bended knees and found my saviour. The bet was covered and I started to look for a courthouse to register myself as bankrupt, no luck; but here are the lucky few who won tokens.

Germanbunny - 4000
Bagette - 1600
Claudia from Germany - 1400
StarRae - 500
Camille Storm - 300
Ushabti - 250

You can guess who broke the bank! Many thanks to all those friends who helped at this chaotic game, played the game and a special thanks to Acolyte Sunray VIQer for services beyond the call of duty.

CHAOS, Inc By Marianne G

!!IMPORTANT NOTICE!!

All those who have a game plan and wish to try it out at CHAOS, Inc or those who have previously submitted game ideas, contact me at 72007,221 to schedule a date when you will be able to host it at CHAOS for all to help you try it out!

!!IMPORTANT NOTICE!!

Everyone seemed to forget that we were scheduled early on the 7th and the 21st to 4 PM WAT instead of our normal Wednesday time of 5 PM WAT. We only had a small group of our regulars show up for the event till the second hour of gaming fun started. Due to that we were not able to hold the first ever running of KYMER SCAVANGER RACE, developed by JayVee for CHAOS. Instead, we answered more KYMER FEUD Survey questions.

There for the questions were JayVee, Utopia, Damia, Robodoc, Steffen, and Cut-Me-Own-Throat Dibbler.

Be with us on the 14th when we attempt to rehold the KYMER SCAVANGER RACE. Come early for instructions, as the race will take us all over the city. See you on the 14th, regular time, 5 PM WAT at the Bar-L Storeroom.

>> KYMER FAMILY FEUD

By Marianne G

Coming in Feburary, on the 17th is the KYMER FAMILY FEUD. In an attempt to make it possible for those in other time zones to compete, we are holding this event on Saturday, and at 2 PM WAT! It will be held at Visitor Center Left, and teams must consist of from 3 to 5 avatars. If two more teams register before the games on the 17th, they will also play and the championship game will be held on the 24th. Otherwise, the winners of the game on the 17th will walk off with the championship.

That's Saturday, the 17th and possibly the 24th at Visitor Center Left, (VCL) at 2 PM WAT. If you wish to enter your team, contact 72007,221 and provide the name of your team, and names of your team members.

Competing on the 17th will be The Inconsistent Anachists (Atillo The Hun, Sundance and Evergreen) and the Smithereens, (Charity Case, Dilbert, Jill, Athelstan and Terminus).

To host this game, survey questions must be provided by members of the dream, and that's everyone out there. Use your CUT and PASTE to put the questions into an E-Mail, add your answers, and send them in to me at 72007,221 and thanks in advance for your help. The questions are numbered, and for the most coverage, some may appear in more then one place. Please use the numbers to insure you have not answered the same question more then once.

This is on the order of, "with 78 kymerians responding to a survey, the top answer to this question ????? was?", so please, no essay responses, keep your answers to a few words :D Also, please don't discuss your answers with others, as I hope that the teams who play have not taken their own survey on the questions :D

Kymer Collectibles Auction

EDITOR'S NOTE (Yes, another one.) - Correspondant Acolyte Sunray VIQer had other things going on and could not write up an article describing this week's auction. He asked me if I could write something appropriate... but looking at a previous auction report makes me think that that would not be such a good idea, seeing how I wasn't even there. Thus, I will simple give you the results and to inform you that the auctions are held regularly at 8-11pm WAT on Thursday evenings, and the items on the block for the next auction are posted in the WorldsAway Life section of the forum library (section 4) on the preceeding Sunday.

Where am I?? by Necrolyte Xian

The winners from last week are:

1st William T. Ryker......Martian Head 2nd Chief Duckolyte Renegade....100Ts 3rd Arch Golden Knight Ultimus...50Ts

Congratulations to the winners! To those who didn't get a chance, last week's solution was: The Sci-Fi Heads Vendo. Next week's prizes are a surprise, but there will be 1st, 2nd, 3rd, and 4th to be won.

Playing the game is simple, all you have to do is download the picture file titled where 7.gif from the newsstand library section. Then you'll have to guess where the picture was taken, and be the first four to catch me inworld and bring me to the same locale. If you bring me to the wrong locale, you can guess again the next day, to allow others to guess. Don't worry if you didn't win this week as this game will be done in every issue of Clarion. But remember, the game closes on the friday of that week, so hurry! Oh one more thing, I will be changing my name sometime soon, so if you cannot reach me as Necrolyte Xian, try to ESP Necrolyte Xian SrK. See ya inworld!
