new rules that go into effect in March, and please, note that once again, CHAOS will be an hour earlier this week.

See you all in a few weeks back here in my little Editors Corner, and till that time, some wisdom from the BOOK OF CHOKE:

"Life is NOT like a can of CHOKE. Naturally everyone likes CHOKE. It's so rare, that even if you don't like it, you strive for a can of it. The can of CHOKE is a rare jewel that a CHOKE Machine dispenses at it's whim, and when it comes to dispensing a can, the Machine seems to NEVER be in the mood. But, as stated, Life is NOT like a can of CHOKE. Not everyone can be as rare, as treasured, as appreciated as a can of that piece of heaven. That is why we must strive for understanding, patience and compassion. We must not tell another what they meant to do or say, but instead, listen, and feel, and truly come to know what it is they are saying in their hearts. For only then, comes the wisdom of the CHOKE. Only then comes acceptance of yourselves and others."

The winners from last week are:

- 1st Mistweave.....fern+50Ts
- 2nd Inazuma.....50Ts
- 3rd Chubs.....25Ts

Way to go winners! To those who didn't get a chance, last week's solution was: The west ATM locale. Next week's prizes are:

1st 50Ts, 2nd 25Ts, and third 10Ts.

Playing the game is simple, all you have to do is download the picture file titled where9.gif from the newsstand library section. Then you'll have to guess where the picture was taken, and be the first three to catch me inworld and bring me to the same locale. If you bring me to the wrong locale, you can guess again the next day, to allow others to guess. Don't worry if you didn't win this week as this game will be done in every issue of Clarion. But remember, the game closes on the friday of the current week, so hurry! Oh one more thing, I will be changing my name sometime soon, so if you cannot reach me as Necrolyte Xian, try to ESP Necrolyte Xian SrK. See ya inworld!

--_^+^_-- GHOST RACE RESULTS --_^+^_--

!!!!!! IMPORTANT NOTICE !!!!!!

The File GHOSTG.TXT, found in the Worlds Away Life Section of the Forum Library, has been updated with new rules! These rules, which come from suggestions made by our players, go into effect starting with the MARCH Races. PLEASE make sure you read the file prior to attending future ghost races, and suggest it to newbies prior to their first race experience. A working knowledge of the game helps to speed it along some.

!!!!!! IMPORTANT NOTICE !!!!!!

European Ghost Racing Results (02/23/96) By Holger

The last races of the month of February were held on Friday, 23th. As you all know, it was also the final decision for the monthly championship.

... and now to the winners:

One race each was won by Knight Darkrose who got a pink valentine, Soltron2 who took home 150 tokens, Tin-Tin snatching a fern and Pfiin'e Dfi@'el@ (WHAT a difficult ASCII writing <g>) getting a snowman head in the weekly head race.

Winning two races each were Mivo who immediately won the first two races (A little drum and a snowball), followed by Astrid winning the next 2 races were she got a trophy and 200 tokens, and finally Hotspot grapping some flowers and hot chocolate.

Some smaller amounts of tokens were distributed to Cassandra Kane, @Dark Sun@, David TexxxMan, Simon, LANIE L2 and Lunacat.

AND WHO WAS THE CHAMPION OF THE MONTH (February) ???!!!

THE WINNER WAS

!!!!**** "MIVO" ****!!!!

... who reached his limit (2 items) in each week of Feb THOUGH using d*rn slow german nodes <g>.

Hope to see you all again on March 1st, 1996 (@ outside Isle Caribe, 11 am WorldsAway Time [WAT]) when we start the March races !

Monday Night Ghost Racing (19 Feb 96) By Acolyte Serena:

It was a busy night, but we managed to survive. I have been asked, why my report is always a week behind, and Holgers is so timely. By the time you read this, you already know who won for the month, if you were there, and I'm a week behind. The reason is, when I'm not the editor, I have to have my report in by a deadline, same as any others submitting articles for the CLARION (see section on how to submit articles - as address to send them to has changed!) That deadline, is by Sunday night latest, so I can not include my Monday races. That's just the way it is, the deadline is always going to make someone's results a tad behind, and besides, being late is not new to me :D

Winning one race each were Doryu-cage for 50T, Christopher Storm for 50T and Inazuma won a Heart Chest. Winning two races each were Cr.Actionizer for a valentine and 50T, Süße won 150T, Necrolyte Benny won a slice of pizza (no little fishes) and flowers in a vase, and Necrolyte Xian won a bottle of Kymer Country Comfort and a Rose Head.

This keeps Cr.Actionizer and Süße tied for the lead with 6 wins each so far this month, and Necrolyte Benny is right behind with 5 wins.

Winning small tokens of appreciation for comming were RobbyRob, annie, LumMoose-Kymer Guardian, Emmitt, BeauMec, Mr.Twister, White Wolf,

Bucky, CyberMagel, Cut-Me-Own-Throat Dibbler, Ultraviolet, Viper666 and Kaela. I like to give special ghost race niceness award to our Mr.Twister, who gave tokens to Marty.B@Toronto so he could change his body, and Marty came by later to show us that he did indeed use the tokens as intended. Way to go Mr. Twister! I always knew I get the cream of the crop at the races :D

--_+^_-- KYMER FEUD FINALS --_+^_--

By Marianne G

It finally came down to just two teams, the Inconsistent Anarchist (who had swept the Smithereens 145 to 12 in their first game, and then elected to pass) and the SunRays, (who were the one's who eliminated the Smithereens by a score of 106 to 28).

The Anarchist were lead by Atillo the Hun, who not only had a fine team of players, but also was quick to register them for the game.... not waiting for the last moment. On his team was Evergreen, prof babioff and Bog. The SunRay's were lead by SunRay Hera, who runs the weekly TechTrivia event. Her team had fancy That:], Mula, Utopia and Necrolyte Sunray White Rose on it.

The two teams were pretty evenly matched. At one point the contest was 44 to 55, and I was beginning to think that it would be neck and neck to the end. Then the SunRays won two very decisive games and went over the 100 point mark leaving the Anarchist at the 44 point level.

Each team member won an engraved heart, courtesy of the Oracles, which states they are BLOODLINE_VALENTINE_2/96. Also winning small valentines were survey responders who came to watch the event. Thanks for helping and being there to see it goes out to Wart, SunRay Hera, Hot Spot, Atillo the Hun, Utopia, Mula, Necrolyte SunRay White Rose, and Cassandra Kane. The grand prize of the survey responders did not need to be present to win. They won the same prize as the winning team members. And the winner was? Angel Gambler! Contact me, if you have not already done so, to claim your prize.

Congrats to all, and hope to see you next month at the Bloodline Event. We're working on a version of Jeopardy and don't forget to answer in the form of a question!

--_+^_-- LAST CHANCE TO CLAIM AWARDS --_+^_--

By Marianne G

I'm forced to announce that anyone NOT claiming their prizes, will be considered to have forfeited them. In the future, any prizes unclaimed for a month, will automatically be forfeited. If you need to contact me for any game winnings hosted as either Marianne G or Acolyte Serena, just EMail me at 72007,221 and remind me of the event you won at.

SR Gwenhwyfar, Lady Artema was on the Smithereen team that placed third at the Feud and is the only player left to claim their feud prize. Please contact me to arraigne a time.

Winning First Prize Certificates, engraved by the Oracles, are

for one, George LeRoy Tirebiter who did a fine version of air guitar in backup support to Nannette. Anyone winning in the First place section of the Talent Contest, including one who helped out White Rose... please contact me for those certificates.

Angel Gambler, you are one of my newest winners, having won for sending in your survey, for the KYMER FEUD. Please contact me at your convenience for your prize.

--_+^_-- CHAOS, INC. --_+^_--

By Marianne G

PLEASE NOTE! - Due to circumstances beyond my control, CHAOS, Inc, will again be moved to a one hour earlier time (4PM WAT) on Feb 28th. We will return to our regular 5PM WAT in March, first game being on the 6th of March.

Bring your racing sneakers to the game on the 28th, as in honor of Sadie Hawkins day on the 29th, we will be having an Early Sadie Hawkins Day Race! For those of you in the dark, Feb 29th, the day added in leap year, tradition holds, is the day that unattached females are able to ask bachelors to marry. The Sadie Hawkins Day race, is where the females chase down their male and cart them off to the altar.

In our version, however, there will be no marriage at the end, it's all in fun, so males and females, attached or unattached, come and join in the fun. Once again that will be at 4 PM WAT on the 28th of February.

As for the games on the 21st, word games were chosen, and we did a grab bag of them. We pulled out all the stops, letting those there compete in Seesaw Scramble, Categories, Mind Boggle, Trivia and Link-it's. There were ten players in attendance that all remembered the time change and were ready to play. They made words from phrases like IS IT TURFS YET? and I LOVE MY SKULL HEAD, and they had fun with JLEKSGEXAURD. They named unopened and opened regions, and they linked words they didn't even know had anything in common! What am I talking about? You'll just have to come to more CHAOS games and find out!

When the dust settled, winners were Darkhorse, Northern Brushes/Dancer, Chief Duckolyte Davy Joe, CompuChip, Cut-Me-Own-Throat Dibbler, and Sir Launcelot.... and getting to the top three.... Wart had 19 points, Cassandra Kane had 26 points, and tied for first with 28 points each were Damia and @Dark Sun@. Congrats to everyone, you're all winners!

--_+^_-- POETRY IN THE PARK - *LUNCH WITH WALT WHITMAN* --_+^_--

Presented by The Knights of Kymer
Poetry and Storytelling Guild

For decades, scholars and editors have debated about Walt Whitman and his most famous compilation of poetry, "Leaves of Grass." Was the book really a statement about his life? Was "Oh Captain, My Captain" Walt Whitman's greatest accomplishment as a poet or has the popularity of that poem cast a shadow on greater works? Come and hear a little about one of America's best-loved poets and listen to some of his most popular as well as some of his more unknown poems and

decide for yourself!

Join us on Saturday, March 2, for this special event. Picnic in the cool grasses of the Rose Arbor in Meditation Park and listen to the music of Walt Whitman fill the air. Bring your friend, your lover, or just yourself for this most romantic and informative reading.

Plan to read your favorite Walt Whitman poem and receive tokens, a head, or another special award for contributing to this event. Please see WALT.TXT in the WorldsAway Life Library for an event program listing the poems that will be read at the picnic.

--_+^_-- ANNOUNCING KENO IN PHANTASUS --_+^_--

By Mr. Boombastic

There will be a new game in Kymer. It is called keno. It will soon be able to be downloaded from the forum so that you all can play.

Rules of the game:

This game is like bingo and lotto put together. You download a card from the forum that has 40 numbers on it. You mark 20 numbers and register as soon as you marked them. Then I will call out 20 numbers and if you have the exact same numbers that I called out you win. This game can be played either in long term or short. I host both. For the long term you must be present to win. If not you cannot get the pot and I will call out a different number. Then the person who I call out if he/she is here they will get the pot. In a long term game you must register at the drawing but may bet at any time. If no one has the numbers that i call i keep the tokens for the next long term drawing and you bet again. This way you can make the money from last time also if you win. This could keep going all year until I have a winner. You may buy as many cards as you like. For any further questions about this game please e-mail me (MR. BOOMBASTIC) at 103603,3321 or find me inworld.

For people who wanna host this program the host program costs 2500 tokens and you may do the on spot like bingo keno game. If anyone would like to some cards for a long term keno game tell them to e-mail me at 103603,3321 or find me inworld. I will have collectors of tokens for long term game bets. For the short games you may charge as many tokens as you like per card. But not chance the amount of numbers played. Thank you.

If anyone would like to be a collector of tokens for long term games please contact me at 103603,3321. You will be paid 5% of what you sell untill I see that you are making me money. Then I will raise it.
