By Marianne G

Ok! I'm late! Kill me! Errr maybe I shouldn't put it like that. I would like to apologize, due to real world problems (you're going to love this - A computer Crash) I am sooooo far behind, I can't even

begin to dream of catching up..... Though, catching up on my sleep at least would be nice.

So, pardon me if I snore during this issue... or If I leave items out accidentally, or I forget to dot the I's and cross the T's... but I'm trying as hard as I can... They shoot horses don't they?

OH! But before I go, one thing... we had a Teddy Bear Picnic recently, and I'd like to thank Gillian and the other helpers who ran and helped to host that event. Thanks to them, and Acolyte Cerchen, who took my Teddy Bear to the Picnic for me, (It's pretty sad when you are so behind your teddy has to go to the picnic with a stand in!) my Teddy will finally get his name. But, but... what about Hamlet my pet skull? Not to mention Alexander my guard Spider, (Named after Alexander the Great). Where can they go for company, friendship, and the naming rite of passage?

Doesn't anyone out there care about non-teddies? Alternate Friends of the Worlds Away Unite! You have nothing to lose but your conventionality, you have a name to win. What am I saying? I'm saying that we should organize a poem reading, a story telling, a picnic of our own for the skulls, and ferns, and spiders and other non-teddy pets and companions out there. Would you support this? Is there an Oracle out there who would agree to name our babies? Our loved ones? Even if they may not be as cute, cuddily or fuzzy as a teddy, they still can have charm, wit and sophistication! I know that my Hamlet loves the Classics and Alexander is into Greek Legends and Mythology. Let us show them that they count as much as the cute companions of the world. Send EMail to 7200,221 if you are interested in helping or attending. Thank you for your support.

>>\*\*|\*\*< SEEN ON THE STREETS >\*\*|\*\*<<

By Acolyte Rosaleah

We don't know of anyone who've been stung yet, but we've seen a couple of 'killa beez' buzzing around town. One we know of was dismayed not to find any bee heads in NuYu, but we thought they looked very bee-ish dressed in black and sporting a yellow-antennaed head. And that'z quite a buzzzzzz they've set up in my earz!

Does the new picnic vendo really talk? We saw Floppy Joe trying to get around behind the vendo to see if he could figure out the mechanism behind the vendo's voice, but he was having some trouble. It seemed to be ... uh ... crowded back there. We actually met The Talking Vendroid the other night, very pleasant fellow, but we've heard several different vendo voices. ::shrug:: Perhaps they take turns? Certainly it must get a bit stuffy inside the machine, amidst all the picnic items. We did hear that when the machine was finally placed so no one could get behind it, there were many items found there, perhaps someone had set up their own turf there?

Nor is that the only 'magic' in that locale in the snow. What, for instance, is the Secret of the Thousand Norbs? Is Norbix really able to generate a thousand iterations of himself in one locale? Or has he been drinking too much Sparkolyte Soda? Jumping into too many snowbanks?

Cut-Me-Own-Throat Dibbler and Meridienne were married on the first of June. What a happy couple! Congratulations, you two! Avatars planning Marriage should check out the text in the library, or see the ad section and find a caterer to take care of all the details. Word is that Capt Jean Luc Picard and ShellyWebster are also looking to get hitched, congrats to them also on their engagement.

It's also nice to see Acolyte Srk VIQer back at the Help Desk in the Visitor Center. Though, when he tried to catch up with his ironing duties, (have you ever wondered how the Oracle Robes are always just flowing so perfect?) he dripped some water on the desk. Acolyte Serena was there to prevent a water stain however.

Also at the desk was seen The Princess Lovely presenting the newly wedded Acolyte Cerchen and Acolyte Zippy with matching wedding bears. Errr, a set of baby bears to hug and hold, much appreciated by the couple.

>>\*\*|\*\*< LETTER TO THE EDITOR >>\*\*|\*\*<<

To the Editors:

I have noted that one vending machine sells candles of various colors. Here is the guide to what the colors signify:

WHITE candles are used for spiritual upliftment, and to free your mind from worry and stress.

BLACK candles should be used only to protect yourself against evil. If you try to cast an evil spell with a black candle, it will boomerang and do you harm.

GREEN candles are used to generate a desire for money. Place a coin next to the candle and spend one hour thinking of the money you seek. Then go out and work to make it a reality.

RED candles prepare your mind to receive love, or to regain lost love.

YELLOW candles generate peace and harmony in the home environment. Both spouses must come together and meditate for one hour with the Yellow candle, then think of ways to find common ground for agreement. This also works to establish good relationships in your real-world job.

BLUE candles are used to generate encouragement, warmth, and friendship. As you meditate over a Blue candle, think of how your life could be much worse. Then go out and make new friends.

With best wishes,

Magier2890

Editor's Reply:

Wow! I get another letter, I really do enjoy it when they come in on my shift. Problem is, there's nothing to really reply to this, no question to answer, no word of wisdom to give out. However, I would

like to thank Magier2890 for her letter and the information in it. I almost put it in as an article in itself.... but then I wouldn't have had a letter to the editor! So thanks again Magier, and keep those letters coming.

>>\*\*|\*\*< MENOLLY'S PUZZLE CORNER >\*\*|\*\*<<

By Menolly

Here are the answers to last weeks Dingbats Puzzle:-

- 1) In the middle of nowhere
- 2) It fell off the back of a lorry
- 3) Too few to mention
- 4) Down on the farm
- 5) Pay through the nose (this one was laid out wrong, so you probably won't get it. The letters P and Y should have been above and below the letter A)
- 6) Nothing to do
- 7) Son of a gun
- 8) Mother-in-law
- 9) Overcome all odds
- 10) No truth in the rumour.

Now for this weeks puzzle:-

There are 3 boxes, each containing 2 marbles. One box contains 2 white marbles, one box contains 2 black marbles, and the third box contains one black and one white marble. The boxes are labelled "BB", "WW", and "BW", but the labels are all on the wrong boxes. What is the lowest number of marbles that you would have to take out (without looking inside any of the boxes), in order to determine what colour marbles are in which boxes?

Answer next week.

>>\*\*|\*\*< THE DREAMBUILDERS GUILD >\*\*|\*\*<<

By Sisiutl, \*DreamBuilder Master\*

The DreamBuilders Guild was founded on the principles of honesty, trust, and selflessness, and on the spirit of chivalry and generosity. It stands for those who would preserve the Spirit of the Dream, those for whom the Dream is not just WorldsAway, but a way of living. Those who fill the ranks of the Guild strive to embody these ideals, and do so not for personal gain but instead for the satisfaction that Morpheus' own Fiddlers Green lives, breathes, and grows.

The DreamBuilders Guild originated in the idea of \*Gifts for Newbies\*, where newcomers to Kymer would be greeted with a gift. This is still the primary mission. But that is only a part of what the Guild exists for. Assistance also plays a major role. The Acolytes are usually overworked. Too many questions, and not enough answerers. Because of this, all DreamBuilders spend time in the Visitors Center, answering questions and lending a helping hand. But the DreamBuilders aren't the only ones preserving Morpheus' peace. There are countless others acting

to fulfill his vision, from Duckolytes to Pupolytes, from helpolytes to the avatar who only wishes to share with others the bounties to be had in the realms of Phantasus. Often these benevolent souls are overlooked or unappreciated. Therefore the DreamBuilders Guild seeks to acknowledge those whose service to the Dream has been honorable and kindhearted.

The one policy that remains inviolable is that which concerns contributions. THE DREAMBUILDERS GUILD DOES NOT SOLICIT CONTRIBUTIONS. Neither the Guild, nor any of its members shall take an active part in seeking donations. If an avatar seeks to donate to the Guild, s/he will be asked if they are certain that they wish to make that gift. It is imperative that all donations are made through the free will of the donor. Discretion is practised with all who choose to give; no information is disclosed without the consent of the parties involved. Those who wish to make donations should contact Sisiutl, \*DreamBuilder Master\*, at UID 100034,1533, or ESP either Sisiutl or Mitsie, \*GfN DreamBuilder\* inWorld. No other members of the Guild are authorized to receive gifts intended for the Guild unless stated otherwise by the DreamBuilder Master.

Individuals who are interested in becoming members of the Guild should contact Sisiutl at the above UID by private e-mail. All applicants will be evaluated at the discretion of the DreamBuilder Master. Applicants should include Avatar name, RW name, UID, and place of residence. They must also provide three character referrals by other established avatars, not necessarily ones within the Guild. Acolytes, Sunrays, and other such individuals are good examples. These references should contact Sisiutl by e-mail directly. Individuals wishing to contribute time to the Guild without becoming members should also contact Sisiutl with the details.

- 1) This contest is open to all avatars in Kymer. It is being sponsored by the Mythology Guild of the Sunray Knights of Kymer (Kof K). There is no limit to the number of words.
- 2) As you may or may not know, The Knights of Kymer (also sometimes known as Sunrays) were first seen on Halloween. They appeared to help bring light to Phantasus to combat the dark forces of the Vampyres. This contest has been designed to create a myth regarding the origins of the Knights, before that fateful Halloween.

As defined in the Knights Mission Statement (see WA Life in Forum for file PRE2STAT.TXT): Knights throughout the centuries in the waking world have been considered messengers and protectors of the light of a higher power. This principle is written upon the banner borne by the Knights of Kymer.

So, dreamers, it is up to you. Where did the first Knights come from. How did they band together. Who were they. These questions and others are queries to

be expounded upon. Ideas to be built on. Feel free to create the greatest story ever told.

3) All entries must be submitted to Sunray Kibbi at 75032,3720 by Wednesday, June 19,1996 at 5:00PM WAT. Winners will be announced on Saturday June 22, 1996 at 7:00PM WAT at the Mythology Guildhall Turf.

5) Rare and unusual prizes will be awarded for the Best Creation Myth as well as two (2) honorable mentions

6) Any questions regarding the contest can be addressed inworld or by email to Sunray Kibbi at 75032,3720 : Sunray Fawn at 102770,2341 or SunRay Fleke at 75112,1375

>>\*\*|\*\*< MY DREAM DATE >\*\*|\*\*<<

By Freud

EDITORS NOTE: In May, the Bloodline ran an event one night called Match MAYkers, based on the old TV Show, The Dating Game. We kept the contestants up in clouds till they could be seperated, so no one knew who was asking the question, or answering, (as they were relayed by the hosts) until the choice of date were made. We asked the contestants that played to write up their experiences, and following is the first we are presenting in the CLARION. Now, on to Freud's write up on his date!

What should I say? After I had landed almost by accident in Marianne's show, the appearance at "Match MAYkers" should become one of the most beautiful evenings, which I have spent to date in WA. That there is the show "The Dating Game" under the title "Herzblatt" also in the german television, as well as the circumstance to be "Freud", helped me as a Newbie naturally awfully with the ambitious goal, to be the one of the Kymerians, which should be selected by the beautiful date behind the divider.

Yes and then Marianne G, BLD Quackers and Acolyte BLD Stalker, members of the Bloodline, showed us, Bionic Woman and Freud, what it means, to be star of the evening. To the page of Stalker it went in that "MatchMAYkers"-helicopter to the turf "Tunnel of love", where Bionic Woman and I spent some unforgettable hours. The reception was overwhelming. Cool drinks and a supremely romantic atmosphere created for it, that BW and I felt immediately fine. The with a lot of rare items adorned room belonged only us for some hours (the therein located objects from this point in time now belong to us. < g >

What exactly happened at the date with Bionic Woman in that "Tunnel of love"? Completely simply: I got to know a wonderful woman more closely, on which my eye of course rested at so some walks through Phantassus' streets always for short time, but which I however always had not dared to address. What a luck that she - as an experienced Kymerian - did not worry that much about my obviously incessant chattering, so that it became real wonderful evening, at which I learned to estimate Bionic Woman as an a sympathetic, witty and most life-experienced person. Over everything else I would like to be

silent. Magic can be real badly explained.

If there should be a second show: I can recommend all Morpheus-disciples, to apply as a candidate. Just take the chance to enjoy an unforgettable experience.

Results for May 27th races. My thanks to Darkhorse for assisting in hosting the races on June 3rd when I was still at work and unable to make it. Thanks also to my very brave Mother who, despite not understanding a thing she was doing, was able to follow directions over the phone to alert Acolyte Rosaleah that I would be unable to host it. Well, this week, we killed off our players... but I get ahead of myself, this is the results of the CHAOS, Inc game on Thursday the 30th of May. At that time, we played Musical Tokens, which is kind of like Musical Chairs.... you just had to be there I guess.

Anyway, we had some great songs, but no one seemed to want me to finish the entire song of '100 Cans of CHOKE on the Wall' I don't know why, they're missing all the best verses! I also got to sing 'Dream, Dream, Dream your Dream', 'The Theme from CHOKE Story' and who could forget 'Oh Ponytail'. Yes, CHAOS, Inc is definatly a game that you have to be there to believe..... So, come and join us every Thursday, 5 PM WAT at the turf Dreamland.

Who won the game of Musical Tokens? Team 3 came in third with KOOL72, Mad Martian and Futomaki. Second place went to a team with Necrolyte SKY TOWER, Freud and Damia. Coming in first was Team 1 who was Megret, Meridiene, JayVee and IO. Top winner of the night was Meridiene, congrats to all my players!

Are those Head Racing Chests I see being dusted off in the back room? Wonder what they're for!

 Duckolyte Shell Game By Brains, Wing Commander  
 \_ ^ + ^ \_ \_ ^ + ^ \_ \_ ^ + ^ \_ \_ ^ + ^ \_ \_ ^ + ^ \_ \_ ^ + ^ \_ \_ ^ + ^ \_ \_ ^ + ^ \_

Trying to pin down stable dates for this exciting event has been tough, but we have finally done it. The official new date and time is finally set. The Duckolyte Shell game will be kicked off on Saturday, June 15th at 3:00p.m. WAT. All contestants must come to the "Duck Hunt" turf for rules and registration in the event.

The Shell Game promises to be an event you will not want to miss. Twenty Four special lockable chests will be used as part of the game. Many special prizes including a Light Bulb head will be used as prizes. This month's prizes have some really great stuff locked away inside the chests and will not be revealed until some lucky avatar finds the Duckolyte with the special chest.

I apologize for the schedule changes to everyone, but it has been for the best. Our intent is not to compete with other events, but to supplement the events schedule, in order to offer more fun to the good people of Kymer.

Please join us for the fun. <quack> <quack>

White Hawk's Roulette Kick Off By White Hawk

The new White Hawk Roulette game was kicked off successfully last Wednesday in the MGM Grand turf. Everyone won something every game. There were even free tokens given to the early comers. We had a minor hick-up with the host program (which has been fixed), but that only delayed things for a couple of minutes. The players also had many good suggestions for improvements to the player program. These have been reported to the programmer, so look for updates in the future. White Hawk Roulette is currently scheduled for Monday, Wednesday and Friday at 11:45am till about 1:00pm. Any unexpected exceptions to this will be reported in the In-World events in the forum. White Hawk's Roulette Player Program can be downloaded from the Plug-ins library in the forum.

+--- :) YOU SEE THE SKY (: ---+

By Moonlight Knight

Hello dear Kymerians! Here is a little poem I wrote about..Nothing!  
Here goes...

You see the sky now  
colder than the frozen river  
so dense and white  
little birds  
walk across it.

You see the sky now  
but the earth  
is lost in it  
and there are no horizons.  
It is all  
a single breath.

You see the sky  
but the earth is called  
by the same name  
                  the moment  
                  the winds shifts  
sun splits it open  
and bluish membranes  
push through slits of skin.

You see the sky

Kayrnda wrote a poem about being in Kymer that she'd like to share with  
others:

+--- :)(: ---+

+--- :) FOR MY MIND (: ---+

By Karynda

Through distances untraveled  
I meet souls I wouldn't have met  
My sun rises as theirs sets  
And yet we can stand side by side  
With colored words we see  
That's just you being you  
And that's me being me  
You can't see what I look like  
You can't see the watch I wear  
You can't see the car I drive  
Or the color of my eyes  
But you may know me better  
Than if you could  
It's easy to be free  
Without such judgements  
The real world can be

Original Play Coming To Kymer

By Milora

---

Would you be interested in performing in or watching a play in WorldsAway?

We are considering presenting a Star Trek type play in a rented turf. We especially need sponsors with lots of extra tokens and in world experience. Jubal is working on a script at present, but invites ideas.

If enough avatars do want to become involved, we would charge a small fee for entrance into the play. However, everyone that contributes will be repaid with the tokens earned. Profit made will be given to newbies to help start their life in the Dreamscape. Feel free to get involved!

If you would be interested in performing in or watching a play in WorldsAway, please e-mail one of these sponsors: Milora (M. Michele Dawley) at 103464, 1775 or at internet address lester@mail.teclink.net, Sandy Pylos at 74227, 1602, or Jubal at 102506, 2060.

//Phantasus Adoption Agency

---

For many months now I have witnessed the formation of many special relationships in the Dreamscape. However until now only the relationship of marriage has been recognized under Kymerian and Phantasian Law. The Phantasus Adoption Agency is now here to provide avatars and inanimate objects alike with the chance now to officiate the parent-child relationship in the eyes of Morpheus.

For everyone out there who shares a special bond with another avatar or who has that special teddy/infantar/fuzzy in their life and desires a way to make it legal we are here to serve you. The officiating can be something as simple as a library upload or as elaborate as a wedding ceremony. It's the family's decision. =-)

If you would like to book an appointment or have any questions please email me at 102212,1117 or reply to this via forum message.
