The Editor Speaks

By Acolyte Milen -----

Hi all! First off I'd like to apologize for the delays in bringing you the Clarion. There's been a bit of disarray concerning

Clarion staff lately, mostly considering Rosaleah's departure from the status of Rotating Editor. Although she will be sorely missed we do not begrudge her leaving, and instead wish her all the best with whatever endeavor she moves on to. We may still occasionally see work from her, and she still has the title of "Editor Emeritus" in recognition of all the work she's done for us. (Psst! Anyone out there know what that means? <blush>) Rosaleah was our editor in charge of maintaining the schedule, so we are experiencing difficulty keeping it up to date at the moment. We are working on the problem and are searching for avatars who might be interested in the position.

Not much else to say this week... I've devoted the time I usually plunk into coming up with a weird and (hopefully) funny editorial into creating a *particularly* devilish Hidden Contest this week. Thanks for reading, and remember:

ALIEN ABDUCTION DRAMA - REPORT
(See ABDUCT.GIF for photograph)

By Acolyte BLD Stalker

The Dreamscape was indeed the place for "close encounters" last Wednesday evening when Mr. Tony Christopher, Executive Director of WorldsAway, was abducted by extraterrestrials as he slept and brought inworld to Phantasus for interrogation. Reportedly, Mr. Christopher awoke to find himself no longer resting peaceably in the plush comfort of his sofa ... but rather, standing in the spartan confines of the StarWay Cafe Stage with two alien inquisitors on either side! Who were these strange captors? And what did they want?? Information?? Secret knowledge which would aid them in their diabolical plans for inworld conquest?!? NO! - perhaps nothing quite THAT dramatic. But one fact quickly became certain. He would not be released until he told everyone present what they wanted to know!

The aliens, later identified as Sa-Neheset and Sa-Paneshe, supplied Tony with a futuristic-looking universal translator device which allowed him to communicate with them. They then proceeded with their interrogation; asking him various questions that we the citizens of WA requested via ESP. Tony was surprisingly cooperative! What did they do? Drug him? Was it truth serum? Some alien derivative? Or was it merely the fear of no other escape back to the waking world that drove him to confess?? Whatever his incentive was, he became a veritable reservoir of information! Some of the questions he answered have been on the minds of the community for a long time ...

* Will new locales be opened?
YES! They have many planned and are currently working on them.

* Will we be able to sit?
YES! Additional animations to the avatars are being added, including sitting.

* Will system crashes & pauses stop?
HOPEFULLY! The release of version 1.2 will fix more of the causes of crashes and slow responses.

* Will there be inworld documents soon?

HOPEFULLY! The powers that be are working hard to create them.

* Will there be new body types?

YES! Some new body types will be introduced along with new outdoor locales.

* Will there be new clothes & accessories?

Yes & no. There won't be new clothes for quite a long time. However! Accessories will be available soon. (No exact date as of yet)

* Will there be pets?

YES! Besides the fuzzies, teddy bears, etc. that we already have ... other types of animated pets are being planned. These pets will most likely follow new locales.

* Will there be more Oracles & Acolytes?

YES! There are currently over 20 Acolytes, and that number will continue to grow with the Dreamscape community. ALSO, Oracles and Acolytes will be added to cover European times.

* What's being done about thieves?

Acolyte powers are being added, so that Acolytes can better assist victims of theft & harassment when it occurs. These powers are currently being tested. ALSO! The ability to remove items from chests without removing them from your pocket will be added.

* Will there be selective ESP blocks?

YES! Selective blocking of ESP's will be available, but no word as to when.

* Will the Token hourly earn rate be increased?

Unlikely.

* Will there be more than 2 avatars per account?

Unlikely.

* Will there be a Teleporter near the turf building?

YES! It is being worked on right now.

* What objects will be available next?

Turf improvements are among the top priorities: including improved turf security, furniture, wall hangings & glue.

* Will there be new heads in vendos?

YES! There will be some new heads in vendos by July 19th.

These are just some of the highlights. Many other questions were posed and addressed, after which, the aliens were finally appeased enough to release their abductee and returned Mr. Christopher safely to the waking world. For a complete list of questions asked, see the alien abduction transcript available in the WA Forum Library. (section #6 - WA Official, filename: "ALENCONF.TXT")

HELP WANTED!

By CLARION Staff

The CLARION is now accepting applications for two, currently non paying positions. We would like anyone interested in becoming part

of our publication, to let us know! Send your application to us at 72007,221 if you are interested in the following two positions or in just becoming a reporter for us.

The two positions we would like to fill are those of Schedule Co-ordinator and Advertisement Co-ordinator. The two positions are basically full time staff positions, and you would not be required, unless you felt comfortable taking on more, to do other reporting functions.

The Schedule Co-ordinator would be responsible for maintaining a listing of the current event schedule, receiving events from the avatars, contacting avatars for updated events, and providing the schedule to the rotating editor for that week for publication in the CLARION.

The Advertisement Co-ordinator would be responsible for maintaining the advertisement section of the CLARION, updating that section, and editing incoming ads for space.

If you are interested in these, or other positions, please contact us at 72007,221 and thank you for your interest.

Seen on the Streets

By Rosaleah -----

There was quite a crowd around Aegir last Friday night. We hung around a while to watch the effects the rainbow turf paint had when applied to heads. A lot of avatars took him up on his offer to give them this unique look, especially as he wasn't charging any tokens for the service! The next day, we ran across the Mages, Swiftie and Swiftess, surrounded not only by crowds of avatars but also with a number of turfpaints at their feet. They, too, were painting heads for eager avatars, but they weren't limiting themselves to the rainbow hue. Questions about their acquiring this unique ability brought only enigmatic smiles from the mages.

Saturday evening, June 29, Princess Toadstool was ordained as an avatar able to perform officially recognized Kymer weddings. Acolyte Data was on hand as Oracle Uni officiated in this ceremony that emphasizes flexibility, listening, caring, and respect. Sharing in the joy at the tabernacle were, among others in the ghost cloud, Dot Warner, My Name Is Fancy ;), and Belleza Exotica. (See ordain.gif with this issue of the CLARION.)

Duckolyte Trivia Master by Disco Duck, Wing Special Projects

On Sunday, June 23, Larry Lamb, Duckolyte Wing, hosted another fast, fun game of Duckolyte TriviaMaster in the turf Duck Hunt. The theme of the game was Duck Soup, and this was the first time that the Duckolytes have used Wert P. Gumby's new trivia program. Mrs. Wert wrote the questions for the game.

Although there were a few technical glitches at the beginning of the game, the ghosts in attendance enthusiastically responded to Larry's able hosting of the game. Because Brains, Wing Commander, who usually hosts Duckolyte TriviaMaster has an extensive schedule of business travel during the summer, Larry will be the official host on occasions when the Wing Commander must be absent.

Kudos to Larry, Wert, and Mrs. Wert for making another wonderful Duckolyte event possible.

Each of the following winners took home a special rare prize as a reward for success:

First Place: Meridienne won a rare colored rose head with matching paints packed in a heart chest;

Second Place: King Alexander the Pompasus won a rare colored lacy heart head with matching paints packed in a heart chest;

Third Place: Julie S won a rare colored duck head with matching paints packed in a heart chest;

Fourth Place: Unga Bunga, Duckolyte Wing won a fern.

The Monthly Champion is determined by weekly winners using the following point system:

1st Place = 5 Points
2nd Place = 3 Points
3rd Place = 2 Points
4th Place = 1 Point

The prize this month will be something very special from the Oracles.

The standings for the month of June are:

Julie S.	12 Points
Meridienne	5 Points
King Alexander the Pompasus	3 Points
Cut-Me-Own-Throat-Dibbler	3 Points
Kewl	3 Points
Unga-Bunga, Duckolyte Wing	2 Points
@Dark Sun@, Duckolyte Wing	2 Points
Jadelin	2 Points
Jayvee	1 Point

This is the last week of the month, but it is still possible for those with brilliant brains and fleet fingers to win a major prize. Join Brains, Wing Commander, Larry Lamb, Duckolyte Wing, and the Krewe of the Duckolytes on Sunday, June 30, at 7:00 p.m. WAT in the turf Duck Hunt.

By Darkhorse

Hiya Racers,

This is to apologize for missing the races this morning (Friday, June 28th). It's a long story one that is a bit difficult to explain with PC parts all over my kitchen. I seem to have gotten one of my PC's working OK for now. to make up for the inconvenience I will be holding the races on Monday at 11 AM WAT in Dreamland. also because of the up coming US holiday I will be moving the races that are supposed to take place on the 5th of July to Wednesday the 3rd of July. I hope this is OK with you guys if not reply here maybe we can figure out something better. Once again sorry for the inconvenience but my older PC burned up the power supply and I was having I/O port conflicts on the new one. Arrgh what a day.

Sorry about that

CHAOS, Inc - June 26

By Marianne G

CHAOS, Inc is held every Thursday at 5 PM WAT (8PM EDT) in the turf named Dreamland. Just take one of the elevators in the turf building up to that address. It is a place where new games are developed, old games are given new twists and life, and no one knows what the hostess is up to. As it is different every time, come early for instructions. Hostesses are Marianne G and Acolyte Milen.

We played 20 Clues this time, and we had a nice crowd. They tried to lull me into a false sense of, 'Oh, take it easy on us - you're too hard' but I soon found that CHAOS players are still the best!

We did New Years Day, and London, Chicken but not the egg, Billboard and quite a few others..... So ummm, guess this is where I fess up and admit I can't find the scores.... They are around here someplace ;;looking at cluttered work area;; I know it! And as soon as I find it I'll tell you all who won. ;;slinking out the back door;;.

Dreaming Insomniac's Society

by Acolyte Milen

We had rather bizarre activities going on at the previous two DISes. Anyone entering the room (Visitor's Center, left side) at the right time (Friday at 9pm WAT, or midnight Eastern time), unprepared (which is common), would have encountered in-depth discussion on such topics as:

- The Universe's being composed wholly of Ketchup and Mustard.
- The reproductive habits of automobiles.
- How NASA is fixing the ozone hole with a space shuttle and a lot of tire sealant.
- The fact that the pig in the movie Babe, in order to get around restrictions on the importation of livestock into Australia,

was in fact a rare form of kangaroo.

- CD-ROMs work by using a laser (set on "stun") to trace around a series of microscopic worms set into the disc, who then scream out the data contained within their genetic code.
- And other, similarly "interesting", topics. <grin>

Next week's DIS will feature discussion as well, but, for a change, the discussion will actually be (at least partially) serious! Plans are underway to bring a new kind of event into Phantasus and we will be discussing there and looking for people to assist. If you would like to be part of something that could potentially turn out big, be at Visitor's Center Left at 9pm WAT this coming Friday night!

Take care all, and be seeing you....

We buy & sell used items and also have rare items such as rose heads & valentine chests! We offer a Lay-A-Way plan for those who would rather make payments on some of the more expensive items.

\$\$\$ Whether old or new...we are here to make buying that special item easy to do. \$\$\$ So for the best prices in town, shop at Turf-Mart! LOCATED in the "TURF-MART" turf!

//Phantasus Fountains Country Club Notice Normala Kelly

Greetings fellow citizens!

In the March 1996 edition of the Kymer Community Services information
packet, we posted the Program directory for most KCS programs and

classes. In addition we also told you about Phantasus Fountains Country Club's grand opening, then scheduled to happen around the times of the grand opening of the Turf Building.

KCS has given it much thought and we have decided *not* to open Phantasus Fountains Country Club *until* the avatars of Kymer have access to some form of "glue." We want to be able to assure our members that the decor of the clubhouse will not be disturbed. As promised, Phantasus Fountains will screen its applicants prior to membership, but due to the crime problems we have in Kymer, we realize that, all too often, thieves have slipped into even the most secure turfs. We think that "glue" will solve the problem nicely.

Phantasus Fountains Country Club, Kymer's most prestigious *private* country club, hopes to open soon. Write your Oracles and Acolytes and tell them you want glue inworld! If you want the ultimate in pampering, a place to wine and dine, meet and mingle with like-minded avatars, reserve your membership now! For membership dues information and other information, please email me at the above address with the words "Phantasus Fountains Info" in the subject heading.

Don't be fooled by imitations. Phantasus Fountains Country Club is the original private club in Kymer, as well as the best.

Thank you,

Normala Kelly

//Phantasus Adoption Agency

For many months now I have witnessed the formation of many special relationships in the Dreamscape. However until now only the relationship of marriage has been recognized under Kymerian and Phantasian Law. The Phantasus Adoption Agency is now here to provide avatars and inanimate objects alike with the chance now to officiate the parent-child relationship in the eyes of Morpheus.

For everyone out there who shares a special bond with another avatar or who has that special teddy/infantar/fuzzy in their life and

desires a way to make it legal we are here to serve you.
The officiating can be something as simple as a library upload or as elaborate as a wedding ceremony. It's the family's decision. =-)

If you would like to book an appointment or have any questions please email me at 102212,1117 or reply to this via forum message.

- Ctrl+F2 inserts the text "^{F2}", Ctrl+F3 inserts "^{F3}", etc.
- All special characters work, like the "hug" characters ("{}"), and other Alt+xxxx combinations, e.g. left arrow (Alt+0129)
