The Editor Speaks

By Marianne G

-----  
My turn to talk again, time flies so quickly these days. Do you realize that on August 13th of last year, the very FIRST ghost race was run on Kymer. Yep, it was brought over from Caribe, and it seems to have survived the journey. Shaker was our first ghost race winner.

And the first issue of the CLARION came on out on the 14th of this month last year. Next issue is our last issue that will have Vol 1 on it, unless someone goofs, then we start a whole new CLARION year, and it will be Volume 2 Issue 1 and so on..... But, you won't see me again till Vol 2 Iss 2 so I won't get to cover everything that's happened in a year. Nope, Milen and VIQer get to cover that. I won't be the one telling you bout how we're the oldest weekly publication... and working to make ourselves the best. I won't even get to tell you bout the plans we have to bring you.... Well, I can't tell you. Nope, another Editor will get to make those announcements... not me.

But, I can tell you that we very much need your input to help our Scheduling people. You can reach them, by the way, at 105170,1200 and

we hope you do drop them a line if you host an event. We also need to hear from our readers about events that are posted, and no one ever shows up to host! Yes, we've heard there are some hosts out there who never actually hold the games they advertise. If you know of them, please, tell us so we can drop them off the schedule. A full schedule does no one any good if it's not accurate. We thank you in advance for your assistance.

Now, for the comic pages, yes, I'm working on them. What I would like to see, however, is people volunteering to work without tokens on that project. I have a really great artist in Snoop, and I'm sure we'd all like to see the comic pages come out more often the I have time to devote to them. If you would like to work on the CLARION COMIC PAGES, drop me a line at 72007,221. We need people interested in doing interviews, Heroes of the Dreamscape pieces, or other cartoons/drawings to add with Snoops. Let us know if you can help!

Last but not least, I found that the Oracle is going to be speaking on Thursday. I know it's short notice, but go on out and listen and ask if you have a chance.

See you in the CLARION new year, and support your local dream :D

I dreamed I saw an avatarless CHOKE,  
An abandoned can all alone,  
I rushed to it's side and craddled it near,  
And told it to have no fear,  
For I would comfort, and I would hold,  
And I would keep it chilled just so,  
Until the day I could wait no longer,  
And down my throat it would go.

This is the answer to last weeks problem:

"Astroquest"

-----  
First      The Last Mission      120 minutes      Cornelius Horne  
Second     Assignment Omega      160 minutes      Michael Bergman  
Third     Planet Elixia      180 minutes      Vladimir Grav  
Fourth    The Return of Kara      130 minutes      Ralph Goldman  
Fifth     Beyond Omega      140 minutes      Anthony Ormond

Michael Bergman directed the 2nd film(clue1).  
The 5th film, "Beyond Omega", (Clue 3) was not directed by Cornelius Horne (also clue 3).  
As the 3rd film lasted 180 minutes(clue 2), Vladimir Grav cannot have directed the 5th film.(clue 5)

Ralph Goldman directed "The Return of Kara" (Clue 6), so the 5th film must have been directed by Anthony Ormond. It did not last 120 minutes (clue 5), 130 minutes (clue 3), or 160 minutes (clue 6).

We know that it was not 180 minutes so it must have lasted 140 minutes. "The Last Mission" lasted 120 minutes (clue 4) so, from clue 6, "The Return of Kara" must have lasted 130 minutes. We know from its running time and its director that it was not the 2nd, 3rd or 5th film.

From clue 6, it was not the first, so it must have been the 4th. Therefore, from clue 5, the 120 minute film "The Last Mission" must have been the first film, and Vladimir Grav must have directed the 180 minute 3rd film. By elimination, the first film must have been directed by Cornelius Horne. Also by elimination the 2nd film must have lasted 160 minutes. Finally from Clue 4, "Assignment Omega" must have been the 2nd film, leaving "Planet Elixir" as the 3rd film.

## Wedding Congratulations or Announcements

Congrats go out to trekpuzzl1 and Flossy who tied the knot on August 3rd. They had a fried modem and fern crashes to contend with among other things, but they still managed to make it to the altar. Or, actually, it was held in the rose garden in Meditation Park. Congrats to the happy bride and groom!

## Bloodline Prepares for September

By Marianne G

In September of 1995, the Bloodline presented three Dance Contests. A Ladies Competition, a Mens and a pairs, presenting engraved trophies to the winners in all the catagories. The Pairs competition had to be a male and female body type to demonstrate the dance style combining the different functions of those different bodies.

We would like to know if there is interest out there to repeat the competition this year, and any of you who are interested in signing up for the contest in advance. If you are interested in participating, please let us know by contacting me at 72007,221 and getting involved.

Fuchjaqd and Trivia - July

By Kaiserfuchs

Here are the winners and the prizes won, at the Fuchjagd and Trivia events in Turf 'D-Treff'! :)

In Fuchsjagd at the July Grand Finale for the month, Hotspot was the big winner, winning a cool\_and\_luscious Ice Cream Head in rare Green 45! He was followed close behind by Schwarzfuchs, who won a Bag\_O\_Chips head. Lastly Daxx, won a Heart Chest with a rare gold Fern head with an Ich\_liebe\_Dich cake inside it! In case you do not know what Ich\_liebe\_Dich means, it means 'I love you' in German! Our consolation prizes went to Zooey, who won flowers, Chanella, who won a red valentine, and Perry Rhodan, who donated his prize for next months event. Thank you Perry!

At the MultiTrivia, Olivander came in at the last minute and stole the show! He got every answer correct, and ended up with the most points for the month. For his great work, he won a Bag\_O\_Chips head! Zooey came in second and won a Rose head painted rare pink! If you see Maurita anywhere about... let Maurita know Kaiserfuchs and Kaiserfuchsin have her flowers for winning third place for the month!

We at D-Treff want to give a big hug and thanks to Oracle Uni and Sabertooth for making some of our prizes possible. Not to forget, Kaiserfuchs has also generously supported all the events from his own personal collection and tokens! Thank you all!

Huzzah! With the help of a friend, the soldier has finally returned home from the wars to his ballerina, to much rejoicing by all and sundry (sundry = guard-spiders and fuzzies). She was last seen wearing a red dress, and a bonnet, boarding the coach to London.
