We've added a new staff member, AvaTara, who'll be giving us an opinion or two and invites you to send in your topics of interest. Our new scheduling co-ordinator will be starting next week, so stand by for that new EMail address to send your schedule information in to. Glynicus is our new co-ordinator and we'll be telling you bout him next week. We hope that any other interested in assisting the CLARION in any way would contact us at 104706,712 and let us know what you would like to help with. _____ IMHO: Ava Speaks Her Mind By AvaTara

Ye Olde Valentine's Day Has Arrived!

The blissful day of friendship, romance, hugs, hearts and love has arrived! Kymerians everywhere are joining in the festivities and getting into the spirit of Saint Valentine's own. Armed are the citizens with Sceptres, Baubles, heart candies, and yummy cookies.

The vendo getting us drunk on Elixir of Love is in front of the Theater, an appropriate choice of locale. I would personally recommend the Sceptre, which sprinkles loves dust about the room Giving us a sugar buzz is the vendo in front of the Library, with plenty of hugs and kisses for everyone. Perhaps (for the sake of clear intentions, of course <g>) the "No Way" candy would seem appropriate to some. Also be sure to check out the Vendo at the South Fountain which carries lovely flowers, and the new head vendo at NuYu!

Time for everyone to show their true love for one another in a pink and red display of affection. Valentine's is a time when romantic souls join together in a big way, and Kymer is quite possibly the revolutionary way to join souls together in Holy Matrimony (have you noticed the number of married people in Kymer who end up being truly happy together in the real world?). Kymer has proven to be quite the land of Dreams Come True...

If you have an issue you want discussed or a story you want told, please send it to AvaTara 76026,476.

I Dreamed I Saw By Marianne G

This is where I sound off and give you my dreams of what I'd love to see, or what I could see in my mind.... will it happen? Who knows. But I'd like to hear your dreams and share them here also! Send them in to 104706,712 and let others hear and share your dreams.

So there I was, spending time around the fountain, and I started to have another of my wierd dreams. I dreamed I saw an Ice Cream Vendor strolling around the fountain of Kymer. There would be one or two locations he stopped at, but basically, he strolled slowly around the fountain, calling out, I Scream, You Scream, Get your Ice Cream Here! He had a little push cart, with an umbrella on top, and he carried Ice Cream Cones, in Vanilla, Choclate and Strawberry.

The push cart had a little bell on it, and if you were in the region he was in, or in the region he was about to enter, you could hear the bell. As he slowly went through each region, giving out his call, you could click on him and get your choice. Besides the three basic cones, every month he featured a new flavour of the month, for that month only. Like Kymer Kringle Cone at Christmas time, Or Jungle Rasberry, or Starway Special, I'm sure more creative people can come up with more great sounding ice cream flavours for each month. In fact, send in your ideas for ice cream flavours, I'd like to hear them!

Leaving the fountain area, I walked around the street, and just past the visitor center, I saw two visions.... One was an Organ grinder with a little monkey. The monkey danced around with the cup, and when avatars clicked on the monkey, and gave him tokens, he would dance and the organ grinder would play a short tune, or longer depending on the number of tokens.

Slowly, that vision faded and was replaced by a guitar player with their case open on the ground. He would play songs as people gave what they could, but putting it into his case. If you gave enough, he even let you select the song. The best part was, the songs had been written by avatars, and been submitted to this man to perform them.. songs, prose, poetry, he did it all. Clicking on him gave you a pop up menu of 6 to 10 song choices, or you could let the artist pick one at random. The song choices were changed as new ones came in and to provide variety. The best part was, 90% of the donations made to hear(see) a specific song, poem, etc was given to the avatar artist who had written it. They were credited to the avatar account at the end of the period when their song had been removed from the players selection.

Speaking of dreaming again... when I left the streets to return to the turfs, (no I didn't see the building superintendent again), I heard someone ask to see anothers turf. Scam! I thought, don't let them up. But the person told them, you want to see a turf? Take the elevator up to SAMPLE, and trying it, sure enough, there was a Turf open to all for all to see! You could see all the turf menu options, but not use them, and you could see what a turf looked like. No more taking pity on those without, send them to the SAMPLE turf, and don't worry if it's a con or not. My, it may make some of the con artists have to look for another con.

Well, that's it for my dreaming for this issue. Let me know what you think, let me know what you dream. SHARE your dreams. Next week I'm hoping to share with you my dream of the housing situation on the dreamscape.

Mikey B (X to li'l cwazy) _____ * Hunter Steps Down By Mary, SysOp _____ It is with great regret that our forum staff announces that Hunter Brown will be stepping out of his SysOp role today. He has accepted

another position within FSC, and will have his duties change to more "behind the scenes" work. Hunter has been with the WorldsAway forum since its inception in March 1995, helping to respond and inform members of various topics and issues, along with his technical skills and attention to detail.

The forum staff would like to also thank him for his guidance and good times had throughout the past two years!

Best of luck, Hunter, and we hope to see you here visiting us!

New Vendo Info!

So, what is in the Month of Romance Vendo's? Where can you find them? I should mention, for those planning weddings, cake is currently to be found in a VMart Vendo for the occassion. The accessory vendo in the Visitor Center also had the Witch's Hats replaced with large and small heart glasses.

Now, on to the completely new vendos. The NuYu Lobby is the place for the Romance Head Vendo. It's the first thing you see as you enter the building. In it you will find:

Lacy_Heart_Head - 595 (3) Candy_Head - 600 Watson_Head* - 250 Jack-O'_Hearts_Head* - 300 Teresa_Head* - 250 Woman_Head* - 250

The Three Candy_Heads all have different sayings to fit your mood.

On to the Rose Vendo which can be found at South Fountain Center. All roses are 25T each, which means a dozen of the lovlies will run you 300T's but isn't your love worth it? There are nine colors and they are Black, Red, Pink, Light Pink, White & Pink, White, Yellow, Orange, and Lavender. I'm told most agree that Yellow is good for friendship.

On to the new vendo outside the Library. In there you will find 6 candy hearts, all new colors from last year, and a cookie at 10 tokens each. Making them nicely priced to hand out to all your friends.

Finally, we head to the Outside Entrance to Theater where the last vendo can be found. The sceptre in this one is animated, so try it out! To be found in this vendo is:

2-slot Gift Box - 25 Elixir of Love - 15 (now this is fancy glassware) Heart - 75 Pillow - 100 Rose Wreath - 150 Bauble - 250 Bouquet - 50 (in lovely red and pink shades) Sceptre - 75 1-slot Gift Box - 5

Enjoy the Month of Romance!

UPWARD

UPWARD stands for United Pets of Worlds Away Reach for the Dream and my name is Hamlet. Some of you I have met.... I am Marianne G's pet, or she is mine. Sometimes it's hard to tell. I am just a regular skeleton who has chosen to spend my life with her, and our other companions. Perhaps you have met them also. Alexander, her pet guard spider, who runs all over the turf, No_Name her pet Torgy Teddy who won his name at the recent Teddy Bear Picnic, and Create, her pet Baby Bear who finally decided on the name he was already engraved with. No accounting for taste.

Anyway, most of the time, we live in peace in our own chest in the turf or in her pocket. We get along fine among ourselves, and we're always happy when Marianne G brings home new friends for us. Now.... bout that Teddy Bear Picnic. Seems that the teddies had a picnic, and one of the prizes were 10 teddies were chosen to have their names engraved on their bodies. Now the mean part.... ONLY TEDDIES NEED APPLY!

Yes, you heard it, only teddies were allowed to win that honour. Well, in the words of the song, What about me? It isn't fair, I've had enough now I want my share.... Am I not bone? Do I not have feelings? I do! Alexander does! And many of your pets, which are NON-Teddies out there also should have the same rights of a chance to win our names. A chance to be celebrated for our unique qualities. An opportunity to strut our stuff and display our abilities.

Perhaps you have a pet fern that sings, a canary that does acrobatics, a fuzzie that is a good listener. Perhaps they are not even talented, but they like to meet other pets. Shouldn't we have the chance to be seen? Shouldn't all pets, no matter what type, size, pixel config be allowed to be part of the dream? If you agree with us, then get that pet avatar of yours to read this and respond!

Remember:

United Pets of Worlds Away Reach for the Dream!

Tell us that you want to have a party also. Tell us you want pets of all types to be able to meet, talk, play games, and get the chance to win their names engraved. Have your avatar send Email to 104706,712 and tell them which pets you want represented. Have your avatar tell our Avatar what makes you special and which tricks you can amaze others with. We want anything from Poetry and Prose Reading (my choice) to tricks to guard abilities, etc.... Don't let your avatar take you for granted! Oh yes, we also allow Teddies to join our group.... we don't believe in any type of pixel discrimination.

It contains the following additions:

- Toolbar
- Comment lines
- PgUp/PgDn/Up/Down scrolls the WorldsAway message window whenever WAMacro is activated
- A "humanize" option, which tries to make the output more natural by changing the line delays depending on the line length
- Ctrl+F2 inserts the text "^{F2}", Ctrl+F3 inserts "^{F3}", etc.
- All special characters work, like the "hug" characters ("{}"), and other Alt+xxxx combinations, e.g. left arrow (Alt+0129)
